2012 On-Going Community Ministries

Community Apartment Ministry

Tupelo Trace Apartments

Target Date to start North Green Street Apartments

Outreach: February 5, 2012

This ministry outreach meets each Sunday afternoon from 1:30-3:30 at a local apartment complex in Tupelo. Participants can serve weekly or on a rotating basis. Participants can sign-up by contacting Alan Brown or Lee Allred. All participants must complete a forty-five minute training session prior to working with this ministry. Participants will lead out in Bible study, crafts, one-on-one, mentoring, serving snacks and loving on children. You will be blessed as a result of sharing Jesus with children and adults in your own city who have never heard the name of Jesus or of His great love for them.

Please pray about helping with the existing Tupelo Trace ministry or becoming a member of the new leadership team for a second community outreach ministry. The focal point of this ministry will be in the North Green Street area of Tupelo. During the last year we have had to cross several hurdles to get this ministry off the ground so continue to pray as we move towards a launch date in February 2012. Please be praying about your involvement in this outreach ministry. We need your service in order to provide excellence in this new outreach ministry point.

Community Prayer Walking

No experience needed for this mission journey. Our goal is to pray over this city—street by street and house by house. Will you adopt a section of Tupelo and pray over that section of the city? We will have information that you can leave at each home as you walk your adopted section of Tupelo. Individuals, Sunday School classes or other small groups can team together to cover Tupelo in prayer. Henry Blackaby says, “Prayer always precedes any great move of God.” Will you commit to pray over Tupelo and ask God to move in a mighty way over this city that people’s hearts will turn to Him in repentance and ultimately that revival will spread from Tupelo to every nation, tribe

and tongue? How amazing to know that your prayers can change the world!

The city will be divided by zones and streets so that participants will cover specified areas with prayer and information on our church.

Neighborhood Block Party

Do you know your neighbors? Do your neighbors have a personal relationship with Jesus Christ? When was the last time your neighborhood came together in the street for a time of fellowship and “getting to know you” time? Will you help us reach this city by reaching your neighborhood? The process is really simple. You schedule a time when you would like to do a block party and we will provide the cards for you to tell your neighbors about the party and the resources you need to host a great block party. By using the Lovin’ Our Community Ministry Trailer, you will be able to provide big inflatable jumps and many activities for the children and snow-cones, grilled hot dogs or hamburgers for the family. What a great opportunity to get the neighbors out and get to know their stories! Throw a party and reach the neighborhood at the same time. Hey, don’t forget to invite them to the greatest church in Tupelo. Yep, that’s right FBC is the place to be!

Kairos is a laity led and clergy supported Christian ministry that seeks to transform the environment inside prisons and to support the incarcerated in creating and sustaining strong, supportive Christian communities within the prison. Kairos works to achieve this goal by conducting two weekend-long retreats each year in each prison and through monthly reunions and weekly small group meeting. Contact Stanley Williams, Phil Daughdrill or Tim Lyon regarding involvement in this ministry. All participants must follow Kairos application and training guidelines.

Singing and Sharing of the Savior’s Birth

Osaka, Japan

December 2012

Mission Overview: Japanese people love American Barbershop Quartet style music. The team will use a mixture of quartet music and the music of the holidays to share the gospel with the people of Japan. Teams will sing in a variety of places and venues and even on the street. Can’t sing? Well, you can certainly dress as Santa and share the gospel. The Japanese people love all the traditions of an American Christmas but have no idea surrounding the true reason for Christmas. Join the team as you share the gospel with the second largest unreached people group in the world.

Other opportunities to serve if you cannot travel:

- Adopt a church planter's or pastor's family in Maine and provide quarterly needs. Gift cards for Target, Wal-Mart, letters of encouragement and prayer as well as traveling to Maine for a visit as the Lord enables you. Visits are not required in order to participate in this ministry. This is a great ministry for a Sunday School project or for individuals.
- Purchase a grinding mill for Zimbabwe. Diesel powered grinding mills cost about \$6,000.00 each. Churches use the grinding mills to provide food to those in the community.
- Provide resources and support for the International Mission Board and Global Outreach missionaries from our church.
- Provide scholarship support for individuals desiring to serve on one of the journeys listed in this publication.
- Provide an offering to help the July Ecuador team purchase building supplies for the work they will be doing.

Important Information Regarding Mission Journeys

Most mission journey costs shown do not reflect any reductions in the cost of the trip as a result of scholarship or budget money from FBC Tupelo. Scholarship money from FBC Tupelo and other scholarship organizations like Mississippi Baptist Convention Board Mission Mobilization Department will be determined when all participants have enlisted. Participants will be advised of total out of pocket cost before any airline tickets are purchased or non-refundable deposit deadlines pass. Participants will have the option to opt out, prior to the posted deadline, if the cost proves to be prohibitive to the individual. Assistance from FBC will be awarded based upon the current status of the church budget.

The printed cost does not include travel insurance for domestic journeys. The cost does include Adams and Associates insurance for all international journeys. The Adams and Associates insurance provides coverage for medical emergencies, evacuation, lost luggage and some coverage for family member's travel in the event a parent or spouse should need to reach a sick family member on the mission field.

3. All mission journey participants must complete a mission journey application for the journey you wish to participate in before names will be added to the list.
4. All mission journey participants must pay the required deposit on trips requiring air travel. Once airline tickets are purchased, deposits are non-refundable and participants will be responsible for the full price of the airfare. In the event a name change can be made on a ticket for a passenger unable to travel, the original deposit is non-refundable. If a ticket cannot be sold to another person wanting to travel, the original participant must pay the full price of the ticket. It is highly recommended that participants purchase travel insurance to cover emergency cancellation on airline tickets due to health or family matters.
5. All mission journey participants must sign a Mission Journey Covenant at the time of completing the Mission Journey Application. Forms are available in the office or from Lee.

All mission journey participants must give testimony of a personal relationship with Jesus Christ and be willing to share of His work in their lives one on one.

Participants must be actively involved in the on-going ministry of the local church. College students must be actively involved in a campus ministry or church ministry.

Participants must make arrangements to secure all travel documents and the required vaccinations before the travel deadlines. Passports must be valid for at least 6 months after travel date. Check passport, drivers license or other government issued identification at least six weeks prior to travel date.

First Baptist Church, Tupelo cannot be responsible for participants obtaining a valid government issued travel document. Lost or stolen travel documents are not the responsibility of First Baptist Church. Lost or late travel documents do not entitle the participant to a refund of payments made to First Baptist Church or travel agencies.

Participants agree to participate in all meetings and complete all assignments on time and prior to travel.

Participants should understand that mission journeys are extremely demanding and sometimes require a certain level of physical fitness or training prior to travel.

Participants must prepare spiritually and physically to meet the demand of each journey.

The Serving Ministry of First Baptist Church, Tupelo reserves the right to deny travel to any participant deemed unsuitable for travel due to spiritual, physical conditions or health concerns that might hinder the overall performance of the team.

Mission journeys will be open to non-First Baptist Church, Tupelo members 10 days prior to the deposit deadline. Non-First Baptist Church, Tupelo members are not eligible to receive scholarship funds from First Baptist Church.

Non-First Baptist Church participants may apply for Mississippi Baptist Convention Board funds only if they are members of a Southern Baptist Church in the state of Mississippi.

All trip participants agree to not divert tithe money from the regular church budget to fund personal mission journeys.

Participants signing up after the deposit deadline will not be eligible for scholarship funding.

Trips are designated as T2 or T3. T2 journeys are not considered a strategic network or partnership journey. T3 journeys are considered part of the strategic partnerships or strategic network journeys. The designation gives clarity to the funding commitments by FBC Tupelo.
